

PETER FUSARO'S

2022 WALL STREET GREEN SUMMIT

MARCH 28-APRIL 1, 2022

SPONSORSHIP

THE 21ST ANNIVERSARY

WALL STREET GREEN SUMMIT

Peter Fusaro created the **Wall Street Green Summit** in 2002, launching an enduring, comprehensive event featuring expert speakers and molding a community in the world of environmental finance. The Summit is known for its consistently fresh, updated information, innovative ideas, deep content, and effective networking. Over the past two decades over 7,000 people have attended.

THE WALL STREET GREEN SUMMIT 2022 IS YOUR ONE STOP SHOP TO LEARN ABOUT THE LATEST DEVELOPMENTS IN SUSTAINABLE FINANCE:

- ESG & Impact
- ESG Reporting & Software
- Impact Investing Funds
- Greening the Built Environment
- Cleantech Investment Today
- Agtech & Regenerative Economy
- Innovations in Energy Efficiency
- Climate Solutions Technology
- Oceantech Solutions
- AI & Sustainability
- Emerging Hydrogen Economy
- Renewable Energy Finance

PETER FUSARO: With 47 years experience in the global energy industry, best-selling author Peter Fusaro has been at the forefront of energy industry change. He coined the term “Green Trading” and has been selected for the *“Who’s Who Lifetime Achievement Award”*. He was an Adjunct Professor at both Columbia University’s School for International and Public Affairs teaching renewable energy project finance and the advisory board of the University of Michigan’s Erb Institute For Global Sustainable Enterprise for 8 Years. He founded Global Change Associates in 1991 to focus on the interplay and convergence of energy and environmental financial markets.
